

COVID-19 SWFL Youth Basketball Guidelines for Season Play

Wellness:

- Parents must ensure their children are symptom free prior to attending SWFL Basketball. A child with fever and/or otherwise not feeling well should just stay home.
- A child that presents of not feeling well will be sent home.
- No more than 24 players will be on a court at a time.
- Small group/station work will be utilized as much as possible.
- Social distancing is required by family and fans in the stands by wearing of masks, seating or standing 6 feet apart.
- Players and fans must enter through the main gym entrance. Do not enter the gym until the game prior to your game is over and court is clear. Fans/players using the back court will exit through the back court doors, east side. Fans/players using the main floor will exit the doors next to the concession stand.

Sanitation:

- Coach, players and all attendees are encouraged to use the hand sanitizers upon entering the gym.
- Balls, seats and equipment will be wiped down between each practice/game.
- Athletes must bring their own water bottle.
- Score-table personnel will wear masks.

Communication:

- If your child is sick, please let us know by emailing info@swflbasketball.com
- Keep your child home if they are feeling ill and let us know.
- If an athlete or coach has a known exposure to the virus they will be out for a minimum of 10 days and be asymptomatic for 72 hours before returning to play.
